13. Submit your Yield Form – Important! We use the yield for various benchmark calculations			End of Sep	

- ❖ EU growers should follow their welcome pack guide for postage of various tissue and grab samples
- ❖ Please remember to note the key crop development dates. When the online portal is open later in the season, please remember to share this information.
- ❖ *Please note that the deadline for growth stage dependent actions is a general guide and may differ depending on the sowing date, location and seasonal effects.
